PROFESSIONAL SUMMARY

IT Support professional with 2+ years of Service Desk experience in troubleshooting technical issues, incident management, user access, and network support. Experienced with ServiceNow, Active Directory, Azure, and SLA-driven support. Strong problem-solving, communication, and customer service skills..

PROFESSIONAL EXPERIENCE

Nityo Infotech - Safeway Philtech; Taguig. Philippines *Mar 2025 – April 2026*

- IT Service Desk Analyst
  - Supported gas station systems and connectivity issues, troubleshooting technical problems affecting fuel station operations and escalating complex incidents when necessary.
  - Diagnosed and resolved Point-of-Sale (POS) system issues, helping maintain checkout operations and minimize disruptions at retail locations.
  - Troubleshoot invoice-related issues and retail transaction system problems, assisting store personnel in resolving operational and application-related incidents.

Phil-Data Business Systems - Cebu Pacific; Pasay. Philippines *Oct 2023 – Feb 2024*

- IT Service Desk Analyst
  - Performed laptop formatting and operating system reinstallation or reimaging as requested, following established IT procedures.
  - Managed Microsoft 365 license assignments and updates, adjusting employee license levels based on access requirements for Microsoft applications.
  - Coordinated with internal teams and external vendors to escalate and resolve high-priority incidents.

Atos Information Technology Inc; Taguig. Philippines *Oct 2022 – Jan 2023*

- Technical Helpdesk Analyst
  - Delivered first-level technical support via phone, email, and chat for various IT-related issues.
  - Troubleshoot and resolved common technical issues including password resets, software installations, and hardware concerns.

E-trade from Morgan Stanley; Makati. Philippines *Aug 2019 – Oct 2021*

- Operations Analyst
  - Managed the processing and distribution of financial assets from deceased clients' accounts, ensuring accuracy and compliance with company policies.
  - Reviewed legal documents such as wills, trusts, and court orders to validate beneficiary entitlements
  - Coordinated with internal teams to ensure timely and accurate transfer of assets including retirement accounts, stocks, and other financial holdings

EDUCATION

University of Perpetual Help System Dalta Las Piñas, PH
